About the Journal

Perhaps, the most popular depiction of the Ogbazuluobodo in Igbo culture is Chinua Achebe's, in his second novel, *Arrow of God*. This journal retains two important sense deducible from the Ogbazuluobodo phenomenon in Igbo Culture. The first is its intensely multidisciplinary vision, covering different areas of human knowledge and intellection. The second would be its inclination towards researches that show deep responsibility in addressing the problems that confront contemporary human society. Published online and also in print, *Ogbazuluobodo* is a biannual journal that provides a thinking space for multidisciplinary reflections on contemporary issues.
